Employees Honored At Vel's

Three employees of Vel's-Parnelli Jones Ford have received "Parnelli" awards for their "outstanding achievements in human relations" during December.

Jack Clark of the sales department, Tom Patin of the service department, and Grace Musheno of the office staff were selected by their fellow employees to receive the awards for displaying the greatest courtesy and cooperation to customers and colleagues.

Each of the winners received a "Parnelli" trophy — a gold racing car mounted on a pedestal.

In addition to the individual trophies, the winners' names have been inscribed on a large trophy that is to be permanently displayed at the dealership.

The three December winners also led their departments for the October, November, and December quarter. As part of the dealership's continuing effort to reward employees who go out of their way to be extra-courteous to customers and associates, quarterly prizes were also awarded to the three winners.

Each won the quarterly prize of gift certificates for clothing. Vel's-Parnelli Jones Ford is located at 20900 Hawthorne Blvd.

'I'm Hip,' Suspect Explains

A bushy-haired man who claimed to be on dope held up Tsugio Fujimoto Mobile Station, 3006 Sepulveda Blvd., late Sunday night, fleeing with \$80 cash.

An attendant at the station told police the suspect held his left hand in his left coat pocket, simulating a gun, and pushed a hard, round object into the attendant's back.

The suspect allegedly said, "I'm a hip. Do you know what that is? I am on drugs."

After grabbing money from the cash box, the suspect ordered the attendant into a garage, instructing him to lie under a car.

The attendant said the suspect had a round face, a mustache, and dark, bushy hair.

Research Program Is Topic

California's Regional Medical Program — established to combat cancer, stroke and heart diseases on a community level — will be discussed by Dr. Thomas L. Stern before Centinel-South Bay District members of the American Cancer Society at a noon council meeting today.

Robert Jackson, ACS Beach Cities chairman, will host the luncheon event expected to draw some 60 key volunteers from the districts' 24 communities to Lococo's Restaurant in Manhattan Beach.

A Manhattan Beach physician and Rolling Hills resident, Dr. Stern is active with UCLA's (Area IV) Advisory Committee for the Regional Medical Program. His discussion of its work will include a report on the Medical Television Network for which he serves as chairman of the Production Coordinating Committee.

Recently a recipient of an American Cancer Society education award, the guest speaker currently is serving on the Board of the Los Angeles County Branch and as chairman of the district's volunteer doctor speakers.

Imperial Bank Shows New Growth

Record resources of \$48,481,480, have been reported by Imperial Bank for the year which ended Dec. 31. This compares with resources of about \$34 million in 1967 and is more than double the \$23 million figure of two years ago.

Deposits have risen from \$20,491,370 in 1966 to a current total of \$43,666,497. Imperial Bank loans have increased from \$12,650,962 to \$33,548,817, during the same period. Comparing 1968 to 1967, deposits were up 45.64 per cent and loans advanced 43.91 per cent.

Imperial was founded in 1963 and today is the fourth largest of all banks in the United States.
